Profile

I am a software developer who is constantly improving and curious about new technologies. I focus on frontend development and have experience with technologies such as HTML, CSS, JavaScript, TypeScript, React, Next.js, Bootstrap, Git-GitHub, and Figma. I enjoy designing user-friendly and aesthetic web applications.

Education

Computer Programming   **Sep 2022 - Present**
Atatürk Üniverstitesi

Advanced Frontend Software Expertise   **Nov 2023 - Oct 2024**
Nişantaşı University/Acunmedya Academy, İSTANBUL
